

# Trading Cards Activity

Grades 2,3,4,5

## Objective:

Students will use trading cards to present biographical information about individuals and places

## Materials:

Trading cards (baseball, football, etc.) - one for each group

Trading card sheet - one for each group

Books - non-fiction about selected individuals

## Groupings:

Whole/small group

## Sample:

The image shows a sample trading card template. It is a rectangular card with a dashed vertical line down the center, indicating a fold. The card is divided into four sections by this fold and horizontal lines. The top-left section is labeled 'Title:' and has a small scissors icon to its left. The top-right section is labeled 'History:' and has a small scissors icon to its right. The bottom-left section is labeled 'Name:' and has a small scissors icon to its left. The bottom-right section is labeled 'Facts:' and has a small scissors icon to its right. The word 'Fold' is written vertically on both the left and right sides of the card, indicating the fold line.
